Academy Space

Nestled in the eaves of this Grade II listed building in the heart of Bloomsbury, Faber Creative Spaces are bright, airy and modern: the perfect place to create, work or meet.

Located on the fourth floor of Faber & Faber, one of the UK's leading independent publishers, this inspirational venue has two spaces to offer; the Academy Space and the Event Space.

Each space comes with excellent technical facilities, including WiFi and audio-visual equipment, and the layout of each room can be adapted to suit your needs.

The intimacy of the Academy Space – with its archive of reference, fiction and poetry books and decor that nods to Faber's history, and a break-out area with large, comfy seating – is perfect for creative meetings, training sessions and away days. The grandeur of the Event Space, with a projector, flatscreen TV and grand piano is just the ticket for larger gatherings, such as conferences or presentations.

Faber Creative Spaces are accessible via excellent transport links and a lift to the fourth floor.
